

ENGINEERING PLAN REVIEW FEES

Prior to submittal of engineering construction permit applications, individuals, homeowners, developers, business or commercial enterprises, public or governmental organizations, and all other entities proposing to conduct engineering construction work within the Town of Davie shall secure plans approval from the Town Engineer or his authorized representative/designee. Proposed engineering work, includes, but is not limited to, paving, grading, drainage, electric and non-electric utilities, roads, sidewalks, seawalls, and bridges, as described more completely below. Prior to plan review, fees shall be paid to The Town of Davie. Fees shall be paid at the time of plan submittal and will be based upon the fee schedule shown below. Review fees include a maximum of two plan reviews for the same project site and review categories. Each supplemental review, beyond the initial two will be charged an additional review fee equal to 100% of the original review fee. Engineering and/or associated plan review comments from the Town are valid for one year from the date they are issued.

PLAN REVIEW FEE SCHEDULE

	Drainage Plan	
	Includes, but is not necessarily limited to, review of any planned/proposed public or private work that may modify or impact in any way the quantity, routing, retention/detention, and/or ultimate disposition of stormwater or surface water at a proposed project site. Seawalls and retention walls, to the extent they impact drainage, are included in this review. Structural considerations of seawalls and retention walls are considered elsewhere.	
(a)	0 to 5.0 gross acres	\$350.00
(b)	5.1 to 10 gross acres	\$500.00
(c)	Over 10 acres, add \$30.00 per acre or fraction thereof.	
	Paving and Grading Plan	
	Includes, but is not necessarily limited to, review of planned/proposed public or private engineering works associated with roadways of any type; roadway structural components; signalization; rights-of-way and/or easement requirements; sidewalks; curbing; equestrian, recreational and/or multi-purpose paths/trails; driveways; parking lots/areas, including their structural components, layout, traffic flow patterns, signage, lighting plans and integration of other necessary or required elements (e.g., irrigation; landscaping; utility site plans).	
	0 to 5.0 gross acres	\$400.00
	5.1 to 10 gross acres	\$600.00
	Over 10 acres, add \$30.00 per acre or fraction thereof.	

PLAN REVIEW FEE SCHEDULE (CONT'D)

	Potable Water Treatment and/or Distribution System Plans	
	Includes, but is not necessarily limited to, review of planned/proposed public or private engineering works associated with treatment for the purpose of potable water production and/or distribution system piping and appurtenances from the downstream side of service connections back through and including the tap to an existing system. Fire protection lines, piping and appurtenances are included from the downstream side of building service connections (typically backflow prevention devices) back through and including the tap to an existing system.	
	0 to 5.0 gross acres	\$450.00
	5.1 to 10 gross acres	\$600.00
	Over 10 acres, add \$30.00 per acre or fraction thereof.	
	Wastewater System Plans	
	Includes, but is not necessarily limited to, review of planned/proposed public or private engineering works associated with sewage collection systems, wastewater treatment and reuse/discharge. Engineering review coverage is initiated at the upstream side of proposed service connections downstream to, and including the connection to an existing system. Depending upon project size, plans may typically include gravity sewers, pump/lift stations and discharge force mains.	
	0 to 5.0 gross acres	\$500.00
	5.1 to 10 gross acres	\$650.00
	Over 10 acres, add \$30.00 per acre or fraction thereof.	
	Seawalls, Retention Walls and Docks Plans	
(a)	Minimum fee for in-house structural review	\$200.00
(b)	As necessary, structural aspects of this review may be outsourced to professional engineering consultants under contract with the Town of Davie. Minimum fees associated with outsourcing will be \$750.00. Fees charged by the consultant in excess of the specified minimum will be passed on to the individual or entity submitting the plans for review.	
	Bridge Plans	
	0 to 20 foot span	\$200.00
	Over 20 foot span at \$100.00 per hour of Engineer's review time	
	Minimum deposit	\$300.00
	As necessary, structural aspects of this review may be outsourced to professional engineering consultants under contract with the Town of Davie. Minimum fees associated with outsourcing will be \$750.00. Fees charged by the consultant in excess of the specified minimum will be passed on to the individual or entity submitting the plans for review.	
	Traffic Plan (Relocated to Engineering Permits)	\$250.00

ENGINEERING CONSTRUCTION PERMIT FEES

One or more engineering construction permits shall be required to perform engineering work within the Town of Davie. Specific exceptions may be addressed through federal and state statutes/code and/or Town ordinance, resolution or published policy. It is the responsibility of the applicant to provide evidence of any applicable documentation supporting requested exceptions. Work included within the categories identified below encompasses, but is not limited to, earth movement, including, all types of excavation, cut and fill; paving and grading; installation of utilities and appurtenant structures; roads; driveways; parking lots/areas; trails; sidewalks, seawalls, docks, bridges and all other engineering work categories listed by the State of Florida and Broward County Licensing Board as requiring an engineering contractor's license. Prior to issuing permit(s), a fee shall be paid to The Town of Davie. Fees shall be based upon the fee schedule shown below. Permits shall expire twelve (12) months from date of issuance, unless otherwise noted.

ENGINEERING PERMIT FEE SCHEDULE

	<u>Clearing and Grubbing</u>	
	<p>Clearing and Grubbing permits include, but are not limited to, removal of:</p> <ol style="list-style-type: none"> 1. vegetation and vegetative cover such as grass, trees, tree stumps, tree roots, logs, brush, noxious weeds and decayed vegetable matter; and 2. refuse such as pole stumps, rubbish dumps and debris piles resting on or protruding from the ground surface; and 3. obstructions, such as concrete paving, concrete edgings, foundations, fences and disused or abandoned structures. <p>Clearing and Grubbing permits are NOT used for:</p> <ol style="list-style-type: none"> 1. removal of underground obstructions such as drainage pipes, service conduits and fuel tanks, or 2. removal of any existing underground utilities (even if abandoned), or 3. changing site grade (other than for removal of stipulated material). 	
(a)	Fee equals \$500.00 per acre or fraction thereof	
(b)	Minimum fee	\$500.00
	<u>Site Development</u>	
	<p>Includes earth movement, general excavation, cut and fill, to the extent of meeting a rough grading plan. Allows clean or engineered fill to be brought on site and excavated material to be removed from site to an approved location. Excavations for canals, lakes and wetland mitigation areas included within this permit type but are subject to separate fees.</p>	
(a)	0 to 5.0 gross acres	\$750.00
(b)	5.1 to 10 gross acres	\$1500.00
(c)	Over 10 acres, add \$30.00 per acre or fraction thereof.	

Revisions to Engineering Fees as:

ADOPTED BY THE DAVIE TOWN COUNCIL ON OCTOBER 15, 2003; ORDINANCE 2003-042

Revision Date:

(d)	Single-Family individual lot	\$150.00
(e)	Excavation of Lakes, Canals, Ponds, Commercial Fill Pits-	
(f)	per acre or fraction thereof – unit rate	\$1000.00
(h)	Canals (per 500 linear foot segment or fraction thereof – unit rate)	\$1000.00
	Drainage Systems (coverage described in Plan Review Section)	
(a)	10% of Construction Cost	
(b)	Minimum fee	\$400.00
	Paving and Grading (coverage described in Plan Review Section)	
(a)	10% of Construction Cost	
(b)	Minimum fee	\$400.00
	Paving and Grading - Other	
(c)	Pavement Cuts (roads, commercial entrances and sidewalks) – relocated from item 113 -- Prior to issuance of a P&G/pavement cut permit, a pavement restoration bond shall be submitted to the Town in the amount of \$500 per vehicle lane of pavement to be removed. The bond shall remain in force for one year after date of completion.	
(c.1)	Per Vehicle Lane – Unit rate	\$500.00
(d)	Pavement/Sidewalk Restoration (commercial/residential – less than 100 sq. ft. gross)	\$150.00
(e)	Jack and bore procedure in lieu of road cut - Per Vehicle Lane – Unit rate	\$250.00
(f)	Traffic Plan (MOT) (Relocated from Plan review)	\$250.00
	Water Systems (coverage described in Plan Review Section)	
(a)	10% of Construction Cost	
(b)	Minimum fee	\$400.00
	Wastewater Systems (coverage described in Plan Review Section)	
(a)	10% of Construction Cost	
(b)	Minimum fee	\$400.00
	Bridges	
(a)	10% of Construction Cost	
(b)	Minimum fee	\$500.00
	Blasting	
	Permit for each 3 month period (not to be pro-rated)	\$1200.00
	Reapplication:	

Revisions to Engineering Fees as:**ADOPTED BY THE DAVIE TOWN COUNCIL ON OCTOBER 15, 2003; ORDINANCE 2003-042****Revision Date:**

	Change of Contractor (release of previous permit by applicable contractor required)	\$200.00
	Work Commenced Without a Permit	
(a)	Double fee plus all applicable code violations and associated fines	
(b)	Minimum fee	\$500.00
	A minimum of 4 hours notice is required to cancel scheduled inspections. If minimum notice is not provided, appropriate re-inspection fee(s) must be paid prior to scheduling the next inspection.	
(a)	First required re-inspection	\$100.00
(b)	Each successive re-inspection after first occurrence	\$200.00
(c)	Fire Hydrant Flow Tests – per hydrant – unit rate	\$25.00
(d)	Fire Hydrant Flow Tests Re-inspection – per hydrant – unit rate	\$35.00
(e)	Overtime or Off-hour Inspection - \$75.00 per hour / minimum of 4 hours	
(e.1)	Minimum fee	\$300.00

OTHER PLAN AND PERMIT FEES

For engineering plan reviews or permit processing that is not in a listed category above, the applicant may be charged any or all of the following fees:

1. \$100.00/hr for engineering staff review and processing; \$200.00 for each required public meeting.
2. If necessary, plan review and/or permit processing may be outsourced to professional engineering consultants under contract with the Town of Davie. Minimum fees associated with outsourcing will be \$750.00. Fees charged by the consultant in excess of the specified minimum will be passed on to the individual or entity submitting the plans for review.
3. Maximum charge per plan or application will be \$2,500.00, unless the applicant is notified of required fees in excess of this amount.
